Dear Parents and Guardians,

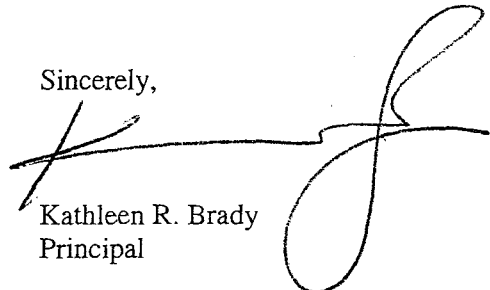

For the past ten years I have had the privilege of serving as the principal first of Samuel Ogle Elementary School and then of Samuel Ogle Middle School. The experience has been both rewarding and challenging, and I have loved being a part of such a dynamic school community. Our wonderful students, engaged families, and outstanding staff contribute to the overall success of our program and advancement of students. So it is with mixed emotions that I let you know that Dr. Hite and the Board of Education have promoted me to the position of Instructional Director, and I will not be returning as the principal of Samuel Ogle Middle School.

I would like to take this opportunity to thank you so much for the support, generosity, and kindness that you have shown me. Being a part of Samuel Ogle will always be a high point in my life due to the wonderful people that I have met over the course of my career here. Our wonderful students have achieved high levels of academic excellence and have enthusiastically participated in a wide range of extracurricular clubs, activities, and athletics. Our exceptional teachers have set high expectations, provided rigorous instruction, and have generously sponsored activities, sports, competitions, and charitable efforts to enrich the middle school experience. Our active PTSO, parent volunteers, and parent partnerships have been essential to our progress and success.

The Prince George's County Public Schools Human Resource Department will work together with our school community to select the next principal of Samuel Ogle Middle School. I encourage you to participate in that process, and additional information will be shared with you soon.

Thank you again for the support and generosity you have shown me. I will cherish my memories of the students, parents, and staff of Samuel Ogle Middle School, and I look forward to the future success that I know you will experience.

Sincerely,

Kathleen R. Brady
Principal
